

# ELITE BUSINESS MACHINES

## QCP14 Quick Change Punch and Binder System

Quick change electrical punch with a capacity of 30 pages of 20 lbs paper, can make quick work of any job. Available dies include comb, 2:1, 3:1 square, 3:1 round, 4:1 and 5:1 . Ideally suited for the print/copy shop with a variety of jobs to perform. Just insert die into machine until it clicks and locks into place, no complicated dial or thumbscrews to turn and lock the dies in place. Since it is electrically actuated, the operator will increase his or her productivity.

All punch dies loaded with resharpenable punches.

The entire system is available as one unit, or you can choose the pieces you need!
