Revolver Punch Binder RPB41

Perfect for the copy shop, office or print center that does not want to tie up a lot of counter space. We are introducing the **revolving interchangeable punch die binder**. After punching, the built in electric coil inserter and wire closer finish up the binding process. 4 Standard punch dies (2:1 ,3:1,4:1 and Comb) are included, other die patterns can be substituted to fit your special application. Includes adjustable margin stop and a generous catch tray.
